

*A **CORPORATE MATCH** is a matching gift benefit that many companies provide, whereby they match all or part of their employees' charitable donations. For example, if an employee makes a donation of \$50 to a non-profit organization, he or she can fill out and submit the proper paperwork with the Human Resources department, and the employer will *also donate* up to \$50 to the organization. Corporate Match is a great way to give more to the non-profit. **Be sure to ask your employer if they have a matching gift program.**

If your employer matches your donation via Corporate Match please have them include the proper **M-code and explanation of funds** for the campaign you would like to support:

- *M-code 117766 : East Africa : Kevin McKidd Online : FirstGiving*
- *M-code 117767 : Haiti : Kevin McKidd Online : FirstGiving*
